

Requirements and Reservations

Fuzzy Paws Pet Villa & Spa strives to provide a safe and positive experience for your dog(s). We have more than 20 years of pet care experience, and we pride ourselves in providing loving and high quality care.

HEALTH, SAFETY AND LICENSE REQUIREMENTS

All dogs must meet the following health and license requirements to ensure the safety and health of all of our guests. Photocopies of the veterinarian records, including expiration dates, must be provided at the time of registration, or faxed to 724-745-1212 **prior to boarding**. Dogs without proper health and license documents or whose inoculations/tests are not current will be refused both day care and boarding.

- **Rabies** – The Rabies Certificate and veterinarian proof of vaccine must be provided. It is a Pennsylvania law that ***dogs over three months*** of age have a rabies vaccination.
- **DHLPP/DHPP** – Distemper, Hepatitis, Para influenza and Parvovirus vaccinations must be current and kept up to date. Puppies must have completed their third set of puppy shots. Leptospirosis is optional and at the discretion of your veterinarian, but you should advise your veterinarian that your dog spends time in a rural setting.
- **Bordetella (Kennel Cough)** – This immunization is required and must be administered **at least seven days before check-in**. For boarding, it must be repeated within 11 months of your pet's arrival. For day care, it is required every six months.
- **State License** – Pennsylvania law requires that all dogs ***three months and older*** have an annual license. This license is issued by the Treasurer's Office for the County in which you reside.
- **Fecal Test** – All dogs must have a fecal flotation test by your veterinarian within 30 days prior to boarding the first time – and every six months thereafter. The results must be negative for all parasites and bacterial infection. If any parasites or infections are found, your dog cannot be boarded until the test is repeated and the results are negative.
- **Contagious Diseases** – At the time of arrival, dogs must be free of any illness or disease that could be potentially harmful to other dogs. ***Dogs must not have been treated for any communicable disease in the past 14 days*** and/or have completed the prescribed treatment. A veterinarian health certificate may be required.
- **Flea & Tick Programs** – Fuzzy Paws recommends all dogs be on a preventive flea and tick program. If your dog is found to be flea or tick infested, a treatment will be applied, and you will be charged \$25 plus the price of the flea product.
- **Spay/Neuter** – All dogs age six months or older must be spayed or neutered.
- **Temperament Test** – Before your dog attends day care, a temperament test is conducted to ensure your dog is not dog-, food- or toy-aggressive and to ensure your dog gets placed into the appropriate play group. At this time, your dog must meet all of our health requirements.

Dogs boarded overnight **do not** need a temperament test prior to boarding. They will be tested when they arrive for their overnight stay to ensure they get placed into the appropriate play group.

RESERVATIONS, DEPOSIT AND PAYMENT

Reservations and Deposit – Reservations for boarding must be made by telephone. If your requested dates are available, a deposit of \$50 is required to “hold” your reservation. The deposit is applied toward the cost of boarding. Reservations are subject to a cancellation fee (minimum of \$50 per dog) unless cancelled or changed five days prior to scheduled arrival. ***Reservations involving a major holiday, or falling between May 15 and September 15, are subject to the full charge for services reserved.***

After making your telephone reservation, complete the Application and sign the Agreement and Release. Mail your completed Application and signed Agreement, along with the \$50 security deposit, to Fuzzy Paws within five business days. Mail to:

Fuzzy Paws Pet Villa and Spa
20 Cheslock Road
Canonsburg, PA 15317

Your reservation is not confirmed until your Application, signed Agreement and Deposit are received.

Payment – Fuzzy Paws accepts ***cash, personal checks, Visa and MasterCard***. Payment is required for the total number of days and any extras you request for your dog at the time of check-in for boarding. Any additional charges incurred during your dog’s stay must be paid in full the day your dog is picked up. There is a \$35 fee for returned checks.

The rates are from the date of check-in to 12 noon the following day, regardless of your arrival time. Any dog picked up after 12 Noon will be charged for that day.

IMPROVING YOUR DOG’S STAY

Identification and Leashes – All dogs must arrive on a leash (no retractable leashes are permitted) and wear a collar with an identification tag. No choke, martingale or prong collars are permitted.

Food – Owners must provide ample food for their dog’s stay at Fuzzy Paws. Food should be packaged in meal portions in zip lock bags. All food must be ***clearly marked with your dog’s name and your last name***. Gourmet meals are available at an additional charge; arrangements must be made at the time of registration.

Bedding and Bowls – Cot-style beds and blankets are provided by Fuzzy Paws for your dog’s comfort. For sanitary reasons, personal ***bedding and blankets from home are not accepted***. Fuzzy Paws also provides stainless steel bowls that are sanitized daily.

Toys and Chews – Dogs are permitted to have a rubber or latex toy or chew in their room. This should be restricted to a toy or chew that your dog can safely have unsupervised. A Kong, natural bone or similar item is ideal. ***Please limit the number of toys to one. All items must be clearly marked with your name. No stuffed or furry toys are permitted*** unless purchased in our boutique at the time of check in.

Administration of Medication – Medications and supplements will be given as directed at no additional charge while your dog is boarded. All medications must have the **correct dose on the vial**. Be sure to mark medications with your dog’s name and your last name. Each time you check-in, you are required to complete a medication form.

Fuzzy Paws reserves the right to refuse any dog that does not meet our requirements.
